Gerry:

Here is the new Vital Records Report Form. NARS has been promising - We will use these for our report this year - Please check on the deadlines for that report and be sure ours is ready to go about a month ahead of their deadline -

Replace our old supply of forms with this new one - I don't see any complications caused by this new report form over last year's -- do you?

Complications arose during last week of June concerning computer equipment and Annual Leave - Extension of time requested from NARS.

Final report forwarded almost a month late -
